Working of the National Film Development Corporation

3248. SHRI J. P. GOYAL: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whelher it is a fact that severe strictures had recently been passed by a semi-judicial body against he working of the National Film Development Corporation especially as regards its policy and criteria for the import of foreign films for distribution through its network;

(b) if so, what are the details in this regard; and

—nu alj

(c) what action has been taken in the matter?

I HE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI V. ,4. i.AD-GIL): (a) to (c) The Film Certification Ap. elhi Ti lt ral, set up under tac Cinematograph Act, 1952, on an appeal filed by 'ihe National Film Development Corporation Ltd., under Section 5(C) of the Act against the decision of the Central Board of Film Certification, Bombay, refusing certificate to the film, 'The Prize of Peril' (English), imported by the Corporation, has, in an order passed on 18th November, 1985, made the following observations concerning import of foreign films by the National Film Development Corpoiation:

"We are shocked to find how public money is wasted by importing films which have no cultural or ethical values. The N.F.D.C. is supposed to set up a stan dard to be followed by others. If this is the kind of films imported by the N.F.D.C. Ltd., which is the cana lising agency for import of feature films, we feel that Government shouid seriously re-consider whether such an agency is required at all. We would suggest that a serious view is taken by the Govem-ment to ensure saving of our foreign exchange and, in any case, ensuring that some responsible persons are entrusted with the power of importing foreign films which do not breach the guidelines laid down by the Government. The res-
